

# Art is a Gift

Arturo Olivas

—our beloved friend, educator and artist—  
was recently diagnosed with lung cancer that has spread to his spine and brain. Friends and family are hosting a celebration and fundraiser in his honor.

Please, join us for a fun-filled, uplifting celebration of Arturo, art, giving and receiving!

**Each person who donates \$5, \$25, \$50, \$75 or \$100 will choose a gift to take home donated by artists, collectors and business owners in our community.**

~ All proceeds will support Arturo to ease his financial burden during this difficult time.

**In the tradition of gift-giving, each donation will be wrapped with a gift tag! Choose your gift and embrace the excitement of unwrapping the gift of friendship!**
